MEMORANDUM FOR: Deputy Director for Support

SUBJECT: Maintaining High Quality Level
of Personnel

REFERENCE: DD/S 68-3924, Same Subject, dtd 1 Aug 68

1. I have little comment to make concerning the Director of Personnel memorandum "Maintaining High Quality Level of Personnel." Within reason this Directorate now follows a procedure for handling personnel problems which adheres closely to that covered in the memorandum. I do think the memorandum might be entitled differently, because the major emphasis seems to be directed at eliminating less-than-effective personnel. Very little is said about ways and means of maintaining our high quality level of personnel.

2. In general, I would think periodic pronouncements emphasizing the need for establishing sound personnel management procedures would have a desirable effect.
